Report of School Board.

The School board respectfully submits the following report for the year ending Feb. 19, 1902.

The annual school meeting was held April 6, 1901. Mrs. Elsie M. Sargent was chosen for three years. Board organized April 5, 1901: Mrs. Elsie M. Sargent, chairman; F. B. Richards, treasurer; Sumner S. Hartshorn secretary and to care for supplies.

District No. 1 and 2 were united as usual. The spring term was taught by C. L. Brockway. He gave good satisfaction and school made good progress.

Fall and winter terms were taught by Miss Ethel Hadley and we feel we made no mistake in placing her there, for she is a teacher of rare ability, and an earnest worker in her school.

In No. 3, the spring and fall terms were taught by Miss Ida Fletcher. We need not comment on her school for she is known throughout the district and has given good satisfaction.

The winter term was taught by Miss Annie Curtis. She is a teacher of experience, and she worked very hard for the school, and the school made fine progress under her care.

No. 5 and 9. The spring term was at No. 9, and was taught by Mrs. Carrie M. G. Johnson, a resident of the district, and does fine work in a schoolroom, and we know her work was appreciated. Fall and winter terms were at No. 5, and were taught by Miss Florence M. Chancey. It

was her first experience in teaching, but she did fine work and was universally liked by parents and scholars.

In No. 6, the spring term was taught by Miss Ethel Hadley. This was her first term in teaching, and she proved herself to be the right one in the right place. Fall and winter terms were taught by Miss Annie Curtis. She worked hard for the children and gave general satisfaction.

District No. 7. All three terms were taught by Miss Lizzie M. Desilets. She has taught here several terms and is generally liked throughout the district. She has a very pleasing way of getting along with the children.

We feel that we were very fortunate in obtaining fine teachers in the past year, and we feel that good work has been done.

S. S. HARTSHORN,
